Leukemia/Benign Hematology Assistant or Associate Professor - R-13074
Location: Bieler Clinical Sciences Center (BCSC)
Company: Roswell Park Cancer Institute
Department of Medicine - Leukemia

Summary:
The Department of Medicine at Roswell Park Comprehensive Cancer Center invites applicants for full-time clinical positions in the Leukemia and Benign Hematology services.

Under the leadership of cellular therapy pioneer Renier Brentjens, MD, PhD, Deputy Director and Chair, and Eunice Wang, MD, Chief of Leukemia, candidates will have the opportunity to collaborate with other investigators within a cutting edge clinical, translational, and basic research setting. Our service maintains a robust clinical trial portfolio focused on early phase trials and immunotherapy and is supported by a dedicated team of APPs, Research Coordinators and Clinical Care Coordinators. Opportunities to lead programs in myeloproliferative neoplasms and non-malignant hematology are also available.

Qualifications:
Required Education and Experience

The successful candidate(s) will be clinical investigator(s) at the Assistant to full Professor level with demonstrated excellence in clinical care and an interest in participating and/or leading clinical trials. Applicants must hold MD or MD/PhD degrees, be board-certified in Internal Medicine and board-certified or eligible in Medical Oncology and/or Hematology, and be able to meet medical licensure requirements in New York State.

NOTE:
Required degrees must have been granted by an accredited college or university or one recognized by Roswell Park Comprehensive Cancer Center as following acceptable educational practices.
